

bid\_dijkstra::bid\_dijkstra

```
graph LR; A[bid_dijkstra::bid_dijkstra] --> B[bid_dijkstra::reset_algorithm]
```

A diagram showing a call to the `reset_algorithm` method. On the left, a gray rectangular box contains the text `bid_dijkstra::bid_dijkstra`. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text `bid_dijkstra::reset_algorithm`.
