

dijkstra::dijkstra

```
graph LR; A[dijkstra::dijkstra] --> B[dijkstra::reset_algorithm]
```

A diagram showing a call from the `dijkstra::dijkstra` function to the `dijkstra::reset_algorithm` function. The first box, containing `dijkstra::dijkstra`, is shaded gray. A blue arrow points from this box to a second, white box containing `dijkstra::reset_algorithm`. Both boxes have a black border.

dijkstra::reset\_algorithm
