

GPostscriptPort::FillCircle

mybfs::popped_node
_handler

```
graph RL; A[mybfs::popped_node_handler] --> B[GPostscriptPort::FillCircle];
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'GPostscriptPort::FillCircle'. The box on the right is white and contains the text 'mybfs::popped_node' on the top line and '_handler' on the bottom line. A dark blue arrow points from the right side of the white box to the left side of the gray box.
